

Community Roots would like to invite
you to the opening of our kitchen
area on
Wednesday 23rd August
10.30am

Thanks to a donation from the Adnams Community Trust and the hard work and commitment of our volunteers, we now have kitchen facilities at Community Roots!

Please accept this invitation to our opening event. There will be refreshments and a tour of our Community Roots site where you will have the opportunity to find out more about what we offer within the community.

Following the opening ceremony we will be hosting our annual **Community Resilience** event so there will be lots to see and do!
